Dear Mr. Director,

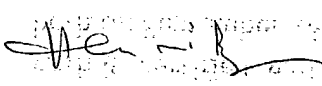

It was surprised to hear from US Patent office through my phone call this morning that my above-mentioned application is abandoned due to lack of response, regardless my reply of 09/16/2003 to your final notice of 09/05/2003.

I attach herewith evidence proving delivery of my response document was mailed with its certified mail receipt and seal of United States Patent Office upon arrival both on September 16 and 22 accordingly. I accepted content of my application published on 02/27/2003 by my above reply of 09/16/2003 but I did not receive any reaction for patent allowance.

Seven month delay was caused by your side to have shortened total life using of an **approving patent as it begins being counted** upon its filing date that its nature interest is being damaged, further the responsibility of human lives it concerns that the invention can save thousands of American lives per year causing by traffic accidents if patent is approved earlier to execute and to stop these accidents.

Your prompt reaction would be highly appreciated by all of us.

Respectfully,

Henri Duong
